TEACHER QUESTIONNAIRE

Thank you for taking the time and effort to complete the following questionnaire. The information you provide will help us gain insight into our work with this child and family. As you fill out the form, keep in mind that it would be helpful to us if you share specific examples about events or instances that come to mind regarding this student. The questions below are not necessarily all inclusive, so please feel free to add additional information as you see fit.

Student Name _____ Grade: _____

Teacher Name _____

School _____

1. How does this student perform academically? At/above/below grade level? If you teach more than one subject to the child, is performance different between subjects?

2. What are this student's academic strengths and difficulties? How does he/she respond to academic successes and failures?

3. Do you think this student is performing to his/her capabilities? If not, why not?

4. Compare present performance to past performance. Has it been consistent? Has there been improvement? Decline? Please describe:

5. Describe this student's behavior in class, including attitude, class participation, etc.

6. Describe this student's social adjustment in terms of type and number of friendships, social initiative, response to group situations, peer pressure, etc.

7. How does this student relate to you? To other adults? Include how he/she responds to authority and limit setting.
